

Absurd gestures, mundane stories of beauty and violence, under shadow and light, illusions, instants of grace, evanescence, unlikeness and senseless acts of beauty. **AOMORI**. A site-specific multimedia dance performance, that examines life using the body, movement, new media and cinema as its tools. A computational machine comprised of of visual questions, memories and dangers we have forgotten or attempt to forget.

*Perhaps the only real hope for the world and the human spirit lies in our ability to imagine and make choices.*
